

## UNICA membership fee 2016

Following the decision of the UNICA General Assembly, hosted by Lomonosov Moscow State University, 8-11 November 2007, and in accordance with the **Progressive Harmonization**, the UNICA membership fee 2016 was calculated according to the **following scheme**:

*Pro memori:*

- *Calculation of the membership fee 2014:  $5.500 + (5.500 * 0,016 \text{ average inflation rate}) = 5,588$  rounded at €5,600;*
- *Calculation of the membership fee 2015:  $5.600 + (5.600 * 0,009 \text{ average inflation rate}) = 5,650$  rounded at €5,700; by the decision of the UNICA Steering Committee, the amount of the membership fee was **maintained at €5,600**.*

### **CALCULATION 2016:**

12 month average inflation rate July 2014-2015 / July 2014 - 2015 in Belgium: 0.2%

Membership fee 2014: € 5,600

Membership fee 2015: € 5,600

Membership fee 2016: € 5.600 + (€ 5.600\*0,002) = € 5,611.20 rounded at €5,600

UNICA membership fee 2016 therefore equals **€ 5,600**.
