

Preparing a New Library and Learning Center as an Interuniversity Initiative: Services

Dominique Lerinckx

6th UNICA Scholarly Communication Seminar

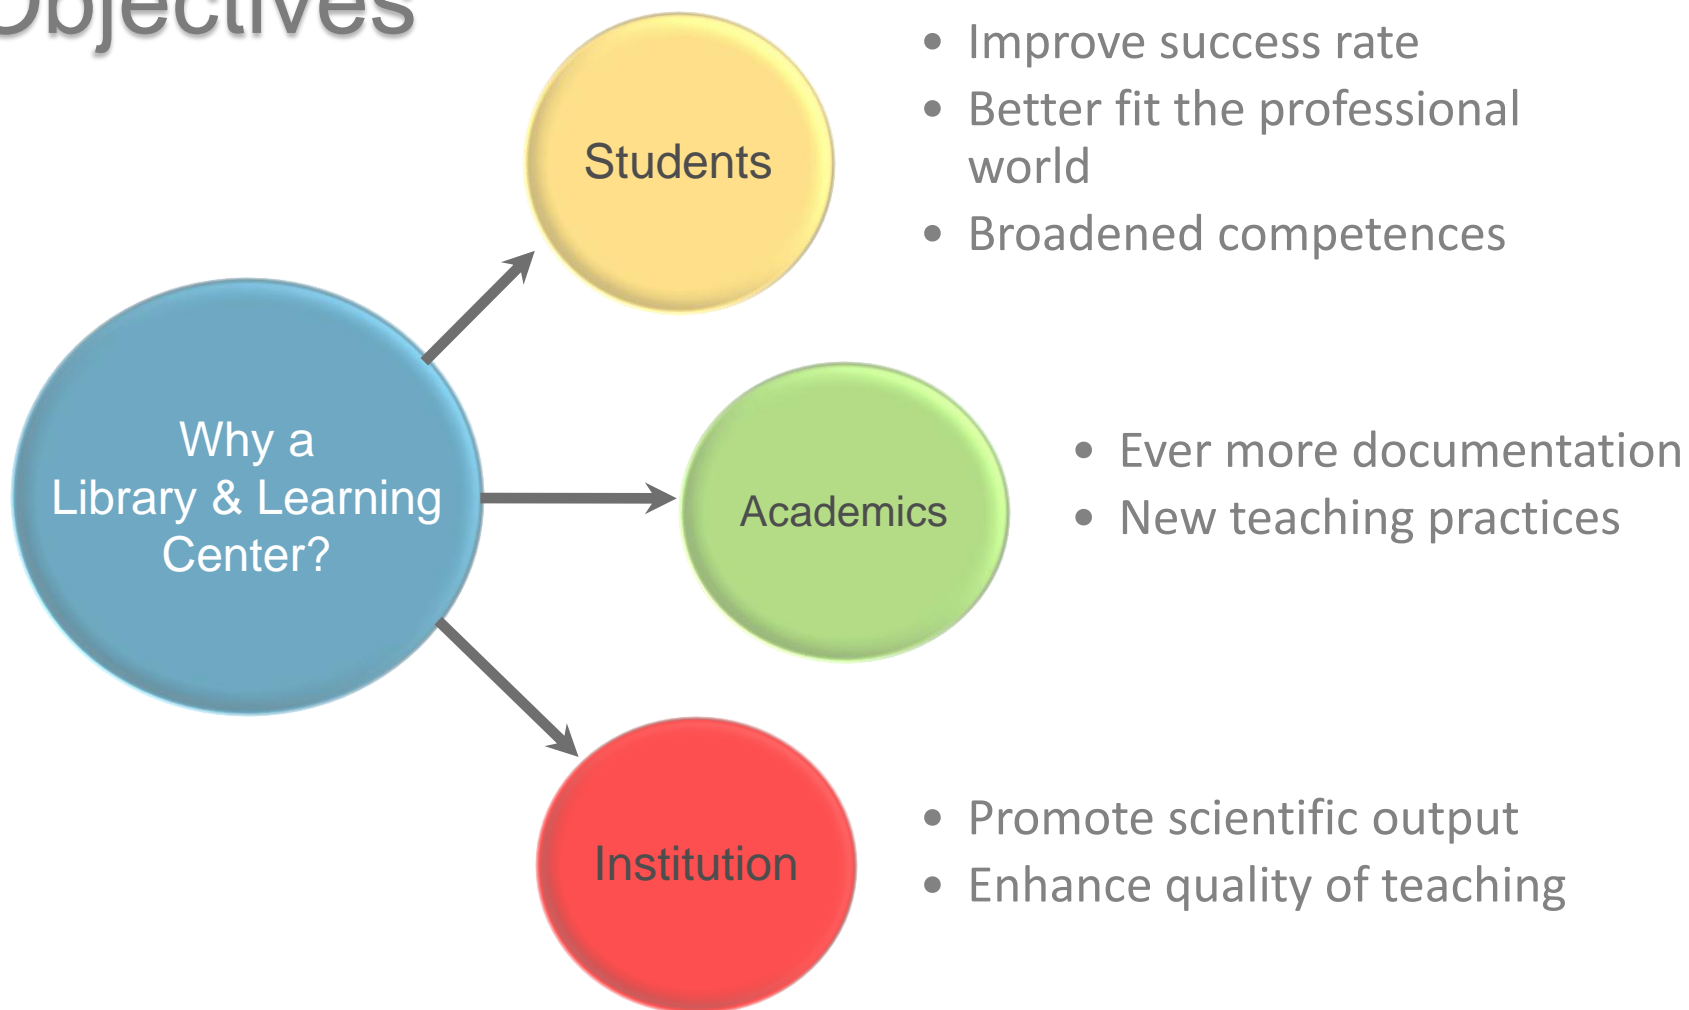

Libraries As Drivers for Change,

Brussels, 26-27 November 2012

Objectives

The ULB-VUB joint project

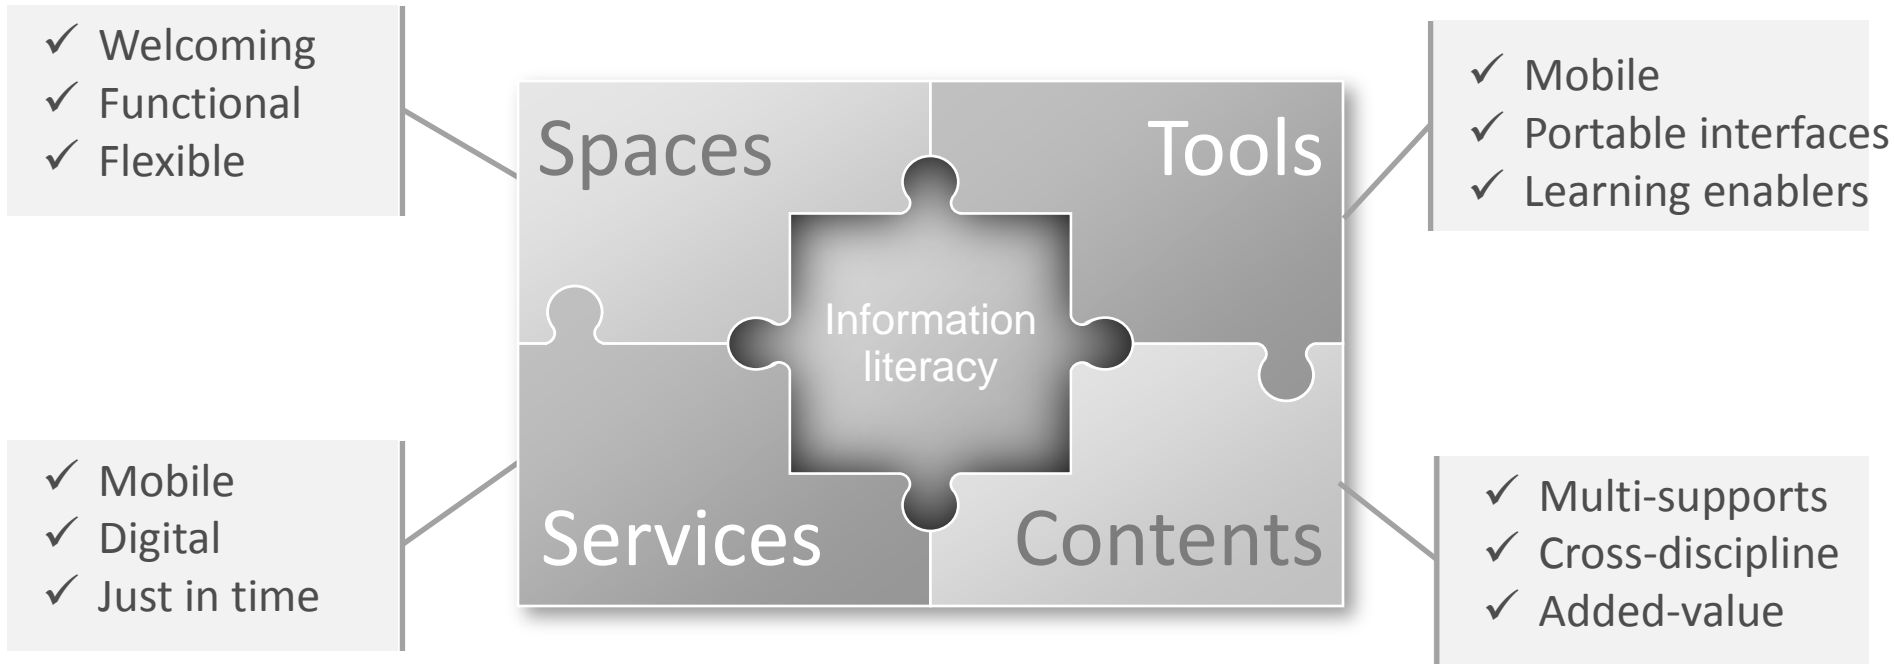

➤ A great opportunity for both institutions to collaborate:

- ✓ in creating spaces for interaction between the two communities
- ✓ in encouraging the pooling of resources, spaces and skills, in an effort of rationalization

→ A Library & Learning Center including a **shared science library ULB-VUB**

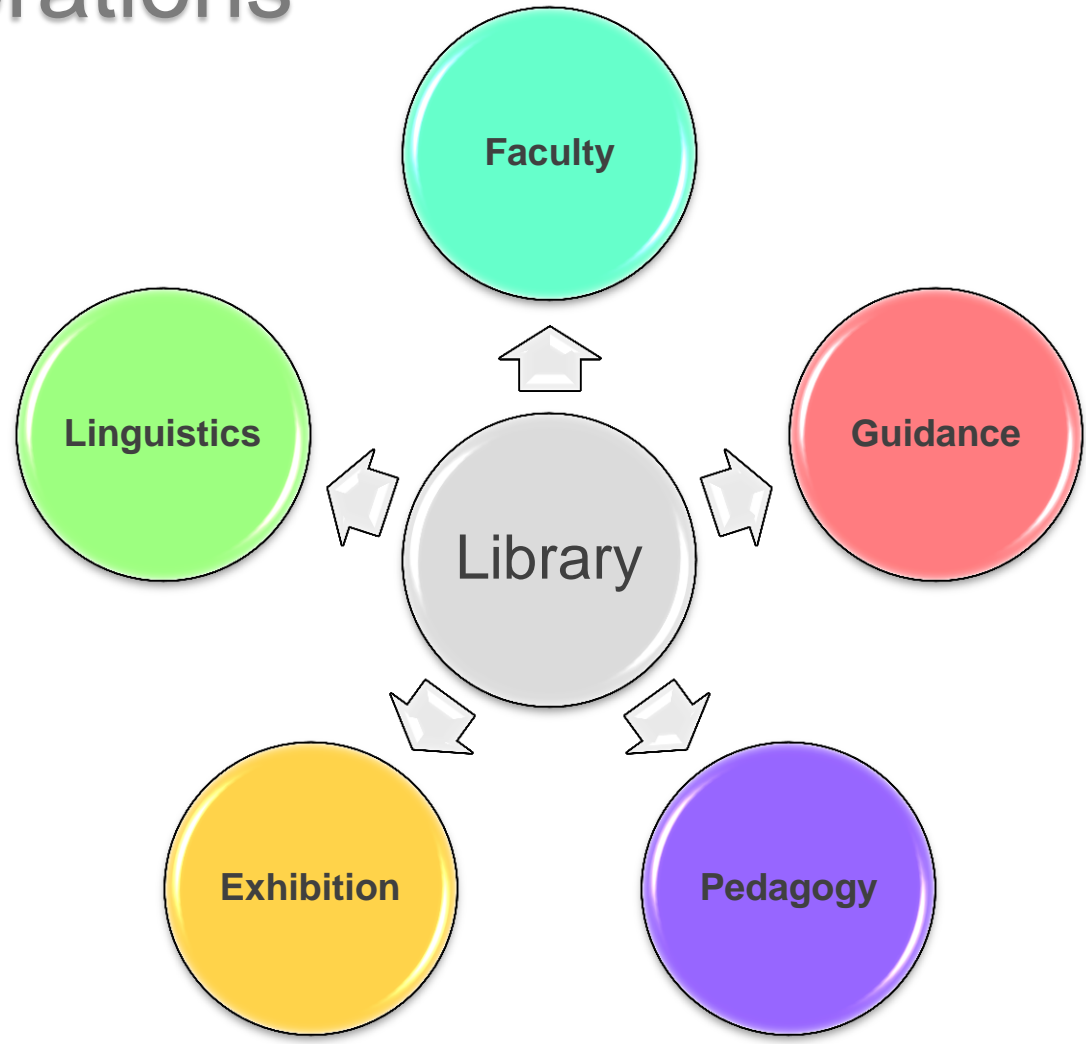

Hi-Tech Library → Learning Center
