

# Students Driving Change

**Nikoleta Filippidi**

**Giannis Charalampopoulos**

**SAVES<sup>2</sup>**

This project has received funding  
from the European Union's  
Horizon 2020 research and  
innovation programme under  
grant agreement No 754203

# Why we got involved

- Encourage more people to care about the environment
- Learn more about saving energy
- Make a difference
  
- Learn to make researches
- Encourage people to care more about saving energy
- Listen different opinions about energy, from the members

**SAVES<sup>2</sup>**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 754203

# What we enjoyed about the experience

- Participating in events
- Socializing with people with similar values
- Seeing people engaging
  
- Making researches
- Inform people to care about energy and environment
- Give advice to people for saving energy at their homes

**SAVES2**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 754203

# Why it's important to have students volunteering

- To spread the environmental consciousness
- To make it easier to communicate with the student community
- To get a fresh perspective and ideas
- To give them the chance to develop their skills and their work experience
- To give them the opportunity to explore other interests

**SAVES 2**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 754203

# The benefits of SSO and SSO+ on the student community

- Creating awareness
- Creating opportunities
- Making students' lives easier
- Informing them quickly for new problems or solutions
