

Greater Copenhagen EU Office

Introduction to GCPHEU

2024

GCPHEU represents

Four universities:

University of Copenhagen

Technical University of Denmark

Copenhagen Business School

Roskilde University

Two regions:

Capital Region of Denmark

Region Zealand

And the **46 municipalities** of both regions

What we do

Project development

Advocacy

Networking

Branding

EU proficiency

What to do for universities

- Know the process, the system, the people and how to translate EU language to your HQs
- Join network with same interest for stronger voice
- Use the EU institutions – they are eager for input and dialogue
- Emphasize that European cooperation is invaluable for funding, collaboration and finding common solutions
- Remember that a good budget, excellence and less administration is still the Danish position
